Dear Parent/Carer

Thank you to everyone who took time to answer our Home Learning survey this week. There is still time for you to give us some feedback by following this link:
<https://www.surveymonkey.co.uk/r/KDXVFC9>

It is clear from the responses we have received, that the children have got a lot out of the Zoom sessions and that there is a demand for us to increase these. Teachers have reported that the vast majority of our children are very engaged during the Zoom sessions and that the sessions are more effective as a teaching tool than one to one sessions.

As a result, from next week we will increase the number Zoom sessions we are offering for pupils from Reception to Year 6. Arrangements for Nursery will remain as they are now.

Each Monday there will be a whole class session which will provide an overview for the week ahead and a chance to ask any questions about the learning the teachers have planned. Pupils will then be offered two further small group sessions. These extra sessions will replace the one to one sessions that we had been providing. Unfortunately there is not capacity to offer both. Zoom sessions will last between 20 and 30 minutes (depending on the age of your child) and will be held at the same time each week.

Look out for the join codes that teachers will be emailing across to you. Please remember to join the sessions using your child's name and to attend the sessions on time.

Thank you in advance for your support and co-operation.

Yours sincerely

Lee-Ann Britten

Headteacher
