30<sup>th</sup> April 2024

Dear Parent/Carer,

The children have begun the summer term full of energy and enthusiasm. There has been lots of fun learning taking place in these first two weeks.

## STEM workshop Year 4 and 5

Year 4 and Year 5 enjoyed a STEM workshop where they looked at changing materials. They investigated how hard different materials are, how materials react when mixed and created a chemical reaction releasing gas to blow up a balloon.

## Science Year 2

Year 2 dissected a daffodil and looked at it under a microscope as part of their Science workshop.

## EYFS

Reception learnt all about worms in their Science workshop.

This is our minimum attendance target for every pupil.
