

Writing:

We are looking at the book 'Hermelin'.

We know that Hermelin is a detective mouse, your task is to write your own story about an animal of your choice, that is a detective.

Maybe you could draw a picture of your detective animal too.

Writing:

Write about one thing you did in the Summer. You could write this as a diary entry - go into detail, use the past tense and remember to use punctuation. I can't wait to read all about what you did!

Maths:

What is the value of each digit in these three-digit numbers?

718 , 817
235 , 545
123 , 321

Order them from smallest - greatest.

Hundreds Tens Ones

Maths:

Complete the 6 activities assigned on **Mathletics** that are linked to our learning in class. Please ask Miss Webb if you need your log in.

Reading

Try and read 4 books this half term at home. Remember to get your adult to fill in your reading record.

Maths:

Start to practise your 3's and 4's times tables.

This game might be useful:

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Science:

We will be looking at forces in Science. Create a fact poster about one force. Choose between: push, pull or gravity. Explain the force and draw pictures of where you see it.

**Autumn 1
Homework Grid
Year 3**

Writing/ Creative:

We learn about the story 'Mini Rabbit not lost'. We know that Mini Rabbit goes searching for berries to make a cake. Write a set of instructions about how to make a cake of your choice. You might even like to make some!

Creative:

Build a bridge at home linked with our DT topic. Be creative!

What type of bridge is it?
