

Maths:

Recap your double and half facts up to 20. You can use the next page.

Double 5 = 10

Half of 16 = 8

Maths:

Ask your grown up to tell you a number between 1 and 20. Show this on the virtual rekenrek (beadstring)

<https://www.didax.com/apps/rekenrek/>

Science

Paint/draw a picture of your favourite flower or create a cardboard craft, See the ideas below

Year 1 Creative Homework

DT

Draw a picture of your favourite food and try to find out where it comes from.
e.g pizza is from Italy
apples grow on trees in many countries

Check the food packaging labels to help you.

Literacy:

Write about your favourite book that you have looked at during your time in Year 1.

Rewrite the story **or** draw your favourite part and write why.

Literacy:

Write an information report about your favourite bug/insect.
