

Year 4 Spring 1 Homework

Please complete all 6 tasks. Work to be returned to school week beginning 7th February 2022

Maths

As we will be learning about perimeter, area, and properties of shapes. Design a poster to help you and others. Vocabulary to help:

- Sides
- Edges
- Vertices
- Faces
- Length
- Width
- Parallel
- Perpendicular

Literacy

When you have made your musical instrument for your DT homework, write up a mini non-chronological report on the planning, creating of the instrument.

DT

Have a go at planning and creating your own musical instrument designed for a particular age range.

- Guitar
- Wind instruments (Recorder)
- Percussion (Drums)

Maths

Login to Purple Mash and continue to practise your Times Tables with Monster Multiplication. There will be a 2Do set for this.

There will be a few additional assigned activities to do as well.

Literacy

As we have been reading 'Coming to England' in our lessons. Have you ever had an obstacle or something to overcome that you may have challenged that has taught you to be resilient? What skills did you need to be successful?

History

As we are continuing our learning about the Romans and their impact in the UK, can you design a leaflet advertising a Roman bath, which was a very important part of Roman society. You could explain about the rooms of different temperatures, the rules and customs when visiting the baths.
