

Writing:

In History, we are looking at The Stone Age. Have you heard of Stonehenge?

Research and write up some facts about Stonehenge. You could display them as an information leaflet or fact sheet.

Remember neatest presentation and punctuation!

Maths

Complete the 6 activities assigned on **Mathletics** that are linked to our learning in class. Please ask Miss Webb if you need your log in.

Science:

Draw a picture / diagram of a flowering plant then label all the different parts. How detailed can you be when drawing and labelling the different parts? Can you name the parts inside the actual flower? Write the functions of the different parts of the flowering plant.

Spring 2

Homework Grid Year 3

Creative:

In Art, we are looking at cave art. Create your own cave painting. There are some examples below. Remember what colours they would have used in the past. How could you make it look more realistic?

Choose 4 of the tasks to complete and bring these in at the end of the half term. Thank you. If you need any help, please ask Miss Webb.

Science:

In Science, we are investigating plants. Carry out research to identify all the different things which plants need to grow and live / survive. You can present your information in any way you like, e.g., a poster, a booklet, a fact sheet.

Writing:

In History, we are looking at what life was like in The Stone Age.

Write a diary entry from the perspective of a child living in The Stone Age. What would their day have looked like?
