Literacy:

Create your own **imaginative story** using this photo as a starting point(see right) and write short sentences using capital letters, finger spaces and full stops.

Literacy:

We are looking at Instructions in Year 1. Can you write some instructions about:

- How to brush your teeth
- How to get dressed for school.

Autumn 2

Year 1

Homework Grid

Due in 14.12.26

Maths:

We are looking at how to use make 10 in different ways. Can you write your number bonds to 10? (1+9=10)

Extension: draw the numberblocks to show each number.

Maths

We are thinking about counting back in Maths. Can you use a 100 square, choose a random number and practise counting backwards to 0.

Creative/History:

We are looking at 'What is my history?'

Ask your grown ups, if they can show you a photo of when you were a baby, toddler and now.

You could stick these onto a timeline, or draw your own pictures.

Science:

We are learning about Animals. Can you create an animal using an empty kitchen/toilet roll. Examples below
