

Reading:

There is some books set to read on the new Purplemash Library - ask if you have any issues accessing this. Thanks

Writing:

We are going to be looking at a book based on BUGS. Write about your favourite bug or insect. Try and include a fact about them too. Facts can be found here:

<https://www.natgeokids.com/uk/discover/animals/insects/15-facts-about-bugs/>

Maths

Do some sums with numbers up to 20. Do addition and subtraction e.g.

$$5 + 5 =$$

$$12 + 5 =$$

$$10 - 8 =$$

$$18 - 5 =$$

Writing:

Our book is an alternative version of Little Red Riding hood. Retell the story by drawing pictures or writing.

**Summer 2
Homework Grid**

Year 1

Maths

Look for 2D and 3D shapes around the house and write what you find e.g.

Circle - clock

Square - book

Cuboid - Cereal Box

Science

Write about your favourite flower and describe it e.g.

A daisy has a yellow middle and white petals.

Creative:

Create a poster to show how a deciduous tree changes in each of the seasons.

Creative:

In DT, we are learning about foods and where they come from. With your adult support - try and do some cooking - these recipes are simple no cook.
