

Writing:

In Literacy this half term, we are looking at Non-Chronological Reports.

We will be researching lots of different festivals that are celebrated around the world.

I would like you to choose a festival and write your own report about the festival of your choice!

Maths

Complete the 6 activities assigned on **Mathletics** that are linked to our learning in class. Please ask Miss Webb if you need your log in.

Science:

Our Science topic this half term is Lights & Shadows!

I have set some activities about this topic on Purple Mash.

Complete both activities.

Summer 2

Homework Grid Year 3

Creative:

This year, we have learnt lots about life in the prehistoric times. In DT we are going to be making our own prehistoric clay pots.

For homework, make your own prehistoric tool, weapon, cooking pot or house. You might even use a shoe box to create your own cave setting.

Choose 4 of the tasks to complete and bring these in at the end of the half term. Thank you. If you need any help, please ask Miss Webb.

Science:

Use your knowledge of light, reflection and shadows to create a quiz for a friend or family member! You should ask between 5 and 10 questions. Make sure you also make an answer sheet! You could also add pictures. We could test the class!

Writing:

As it is your last term in Year 3, I would like you to write all about your favourite memories from Year 3, using all of the skills you have learnt. Remember to include; adjectives, adverbs, similes, prepositions and more... I cannot wait to read them!

Light & Shadow
