

Science – light

1. Draw and label a diagram of a human eye and an animal eye. Compare these and write an explanation of how each eye works.
2. Create a fact file about eyes: are all eyes the same? Do some creatures have multiple eyes?

Maths

Find a selection of different objects in the home. Can you order them in weight? Now convert grams to kilograms or vice versa. Find the difference between the heaviest and the lightest. Write the answer in grams and kilograms. Choose how to present your work.

Literacy

1. Choose one of the countries that the Vikings were from (Denmark, Norway, and Sweden). Find out what the country is like now and make a poster to tell people all about it.
2. Write a job advertisement for a Viking warrior.
3. Write an invader themed story.

History

In Year 6, our History topic for this half term is Vikings.

1. Create a set of Viking God top trumps cards.
2. Draw or paint a picture of a Viking God
3. Design and build a model of a Viking Longship

Homework is due in w/c 19th October and will be shared with your class and others!

Please complete at least one Science task, one History, one Literacy and all of the Maths.
